Covid 19

Go leor eolais nua ag teacht na laethanta seo, an rud is tábhachtaí ná páistí atá tinn a choinneáil sa bhaile go dtí go bhfuil siad dhá lá gan siomptaimí Covid.

Tá an t-eolas is déanaí atá faighte againne ar fáil ar Aladdin.

Má bhíonn toradh dearfach ar scrudú PCR ag páiste na Gaelscoile, le d'thoil cuir in iúl duinn láithaireach ag 045-442300 i rith am scoile nó 085-1465097 ag an deireadh seachtaine.

Ná déanaigí dearmad ar na cótaí, tuáillí agus éadaí sa bhreis más gá.

Ba bhreá linn ár mbuíochas a ghabháil leis na páistí ó Ranganna 3 go dtí a 6 atá ag caitheamh na mascanna gan stró! Tá sibh iontach a pháistí!

Tá cuid den fhoireann as láthair faoi láthair ach tá an t-ádh dearg linn i nGSCD go bhfuil ionadaithe den scoth againn, Aoileann, Barra, Déirdre, Kate, Kate, Karen, Yvonne, Shane atá ag obair linn faoi láthair agus táimid an-bhuíoch díobh.

Covid-19

There is a lot of new information these days but the **most important guideline is to keep unwell children at home until they are 2 days without Covid Symptoms (HSE here). This is the best possible way to keep the school community safe.**

The most up to date information we have received has been shared on Aladdin.

If a Gaelscoil Chill Dara pupil has a positive PCR result please inform us as soon as possible at 045-442300 during school hours or 085-1465097 after hours/weekend.

Please don't forget coats, small towels and extra layers as required by your child.

We would like to acknowledge and praise all of our students from Rang 3- Rang 6 who are wearing their masks so well! You are wonderful! If anyone is like myself fogging up, I find zerofog cloth very helpful.

Several members of staff are absent at present, but we are very lucky to have such wonderful substitute teachers and SNAs who are working with us at present, Aoileann, Barra, Déirdre, Kate, Kate, Karen, Yvonne and Shane. We are very thankful to them all.

Please find details below on information sessions for parents being run virtually during the week of the 6th of December

<u>Would you like to know how best to support your child to build healthy friendships and relationships?</u>

Following on from Part 1 of our RSE 3-part programme where we looked at how we can support our child to make and sustain healthy relationships and friendships, now in part 2 we look at active listening skills and how we use those skills to build our relationship and support conversations with our child.
This session is ideally suited to parents who have completed part 1 but will also provide useful information and advice as a stand-alone session.

Register now to find out how developing communication skills will help build your relationship and support conversations with your child.
https://www.surveymonkey.com/r/RSE-Part2-Dec-2021

Sessions are running 10am Monday to Friday, and 7.30pm Monday to Thursday next week.

<u>These sessions are open to all parents of primary school children.</u>
