Wishing you all the blessings of Spring, thank you so much for all your support and cooperation this week as always. We had another excellent week with our zoom classes and have had no unwanted visitors at GSCD. I would ask you all to support us with our classes by ensuring your child is ready in the waiting room 5 minutes in advance and with their name on view.

Thanks to Three Ireland we have received some free sim cards, please contact us at oifig@gaelscoilchilldara.com if you would be interested in getting one
