Dear Parents,

### **Welcome back!**

I hope that you are all well. As you are aware, the Infants and 1,2 classes are returning to school Monday morning and 3,4,5,6 classes are returning on the 15th please God! It is of the utmost importance we do our best to keep the school a safe place for the whole school community.

A [video](#) has been shared by Teachers of the returning children and also in English for Parents [here!](#)

The same high standard practices are still in place to keep everyone well & safe. In addition to the previous protocols there is a form that parents must fill out on Aladdin. The form can only be filled out on Sunday afternoon, there is also a permission collection for taking temperature at school in the case of an illness. The Department has asked that Parents do not gather together on school grounds.

I know that people are worried but we will do everything we can to keep everyone safe and also spend as much time as possible outside. DO NOT FORGET coats, hats etc. There is a letter below from the Minister of Education. Covid plans etc are available at [www.gaelscoilchilldara.com](http://www.gaelscoilchilldara.com).

#GSCDsabhaile will continue for the children at home. There is a chance of the timetable changing as the teaching team will be working between two schools. Please keep an eye on DOJO.

## **Board of management**

The board of management would like to thank the school community for all that has been achieved in the past two months.
